

BLOSSOM IDD

July 2022

Dear Partner,

Blossom IDD is a brand new nonprofit organization in Ozaukee County. Our mission is to be a place where individuals with intellectual and developmental disabilities (IDD) can receive the resources they need to live a full, independent, blossoming life. The three main areas of intention we focus on are community connectivity, information and resource sharing, as well as travel and transportation for people with IDD. Although we have only just begun operations in January 2022 we have already developed a wonderful network of families, individuals, and advocates that are now enveloped into our community. We hope to continue to *grow through music*, as we enjoy an evening with Tony and Lesleigh Memmel for our first benefit concert! This year we'll be coming together on October 15th for our first major fundraiser. Setting the bar high with a goal of 300+ attendees and volunteers coming together to celebrate supporting Blossom IDD and have a great evening!

We are currently looking for sponsors to help make this event a success, and ultimately ensure that individuals with IDD continue to receive all the resources they need to live their most independent and fulfilled lives. More information about this event can be found at:

<https://blossomidd.org/growing-through-music/>. We've set a goal to raise \$90,000 – covering our annual operation and program budget. With the involvement and support of our amazing local business, community members, sponsors and our dedicated volunteers, proceeds from this year's event will benefit the "Our Community Connectivity Program", continued information and resource sharing, travel events for individuals with IDD, and start to tackle the transportation barrier for individuals with IDD.

By becoming a **Growing Through Music Sponsor**, you can support individuals with IDD to live life to the fullest. A detailed list of this level and other opportunities are included in this packet. In return we hope to shine a spotlight on sponsors like you before and during the event in high-traffic areas of the Cedarburg Cultural Center as well as on many online and traditional communications prior and after the event.

Please let me know if there is any other information that would be helpful in making the decision of sponsorship for our event and becoming part of the Blossom IDD family. I can be reached at director@blossomandmercantile.com.

We truly appreciate your current and ongoing partnership with Blossom IDD. And we thank you for considering our request.

Sincerely,
Samantha J Bear
