EMPLOYMENT SERVICES

For our Business Partners

Our dedicated staff strives to match the needs of your business to the talent of our job seekers

Portal, Inc. offers a diverse and dedicated workforce creating better solutions for business and staffing challenges. Portal's job candidates are committed to contributing to the community and workplace.

You can be a leader in the business community

We Offer

- Job support (as needed) at no cost to you to enhance your training and serve as a mentor to maintain a positive working relationship for you and your employee.
- Long-term job matches to build the bridge for participant independence and a solution for the current labor shortage.
- The opportunity for financial incentives, such as tax credits, that your business may be eligible to receive.

We Discover the interests and abilities of our job candidates and the needs of local businesses.

We Guide our job candidates toward employment opportunities that match their personal strengths with the employer's needs.

We Enhance the employee's training, assuring the employee meets or exceeds the employer's expectations.

We Assist employment through mentoring co-workers and managers to appreciate and understand varying abilities, learn effective strategies to improve workplace interdependence and encourage natural support development.
